

Two Gifts in One—

For twenty dollars, you can provide a teen item for Henderson Libraries and honor someone special.

A contribution of twenty dollars (\$20.00) to the Henderson Libraries provides for the purchase and processing of an item for the young adult collection (grades 6 through 12) in the Henderson Libraries.

A custom-made label will designate you as the donor and give you the opportunity to celebrate an individual or group of your choice. You submit the exact names desired for your bookplate.

See sample bookplate at right.

To announce your gift to the recipient of your choice, you will receive a card featuring art designed by Jenny Yokobori, a Paseo Verde Library teen. The card contains a replica of the bookplate for you to fill out as well as space for a personal message. Address and stamp the envelope for the perfect gift for a special occasion.

For each twenty-dollar contribution, complete an information sheet to guide preparation of the bookplate. When paying by check, make it payable to the Henderson Libraries.
